NOTE TO PROSPECTIVE STUDENTS

This bulletin is prepared primarily for persons interested in furthering their education through summer study. It contains information about the purpose and organization of the summer session programs, life on the campus, personnel services, buildings and facilities, course offerings, admission procedure, requirement for degrees, fees and expenses, living arrangements, and special features.

Information concerning offerings of the regular session may be found in the regular catalog which will be available for distribution subsequently. Brochures for special trade students will be available in April. These bulletins may be secured by writing to the Office of the Registrar.

Information of special interest to veterans may be secured by writing to the Veterans Secretary, Savannah State College.

Information about Savannah State College as an institution may be secured by writing to the Office of the President.

SUMMER SESSION

The Summer Session at Savannah State College has as its major aim the preparation of principals and teachers for elementary and secondary schools, and other leaders to meet successfully the problems they face in their schools and communities. Additional purposes of the Summer Session are: (1) to assist teachers in meeting requirements for degrees and certificates, thus qualifying them for better positions and higher salary compensation; (2) to provide general education background for students on the freshman and sophomore level; (3) to provide opportunities for regular session students to continue their education; (4) to provide opportunities for veterans to resume or continue their formal education or to take refresher courses; and (5) to enrich recreational, musical, dramatic, and religious experiences for all who attend.

The Summer Session program provides offerings in the following three instructional divisions: Arts and Sciences, Home Economics, and Trades and Industries.

SPECIAL FEATURES

Outstanding specialists and consultants are added to the summer school faculty.

Workshops are provided to meet the special needs and interests of in-service teachers.

A three-week short course is offered for trade teachers who are unable to attend the regular summer session.

Courses are offered for special trade students who are primarily concerned with vocations.

An evening session is provided for students who are not able to attend classes during the day. Classes are held from 7:00 to 9:00 p.m., Monday, Tuesday, Wednesday, Thursday.

A rich program of concerts, recitals, lectures, plays and educational tours is being planned for the students who enroll at this college for the summer quarter.

A supervised child-care service is provided for elementary children from 6 to 8 years of age, whose parents are enrolled in summer school. A small service charge will be attached to cover supervisory service.

Upon sufficient demand, the College will offer any course that is listed in the several curricula in the regular bulletin.

GENERAL INFORMATION

LOCATION

The College is situated in Chatham County, near the town of Thunderbolt, five miles from Savannah, the oldest and the second largest city in Georgia — Georgia's chief seaport. Regular bus service is maintained from downtown Savannah and all parts of the City to the College campus.

HISTORY

Savannah (Georgia) State College was established by the Legislature in 1890, in connection with the State University, for the education and training of colored students. It is a four-year institution supported through the Regents of the University System of Georgia, approved by the Southern Association of Colleges and Secondary Schools and by the State Department of Education.

BUILDINGS AND GROUNDS

Savannah State's 136-acre campus, dotted by beautiful moss laden oak trees, accommodates 33 buildings. Among the more outstanding are the attractively designed and modernly constructed Camilla Hubert Hall, which accommodates 175 women; and Adams Hall, the dining hall which serves approximately 500 students in a family atmosphere; Meldrim Hall, which comprises administrative offices, the auditorium, and some classrooms; Willcox Gymnasium, which is the headquarters for the Physical Education Department, and Parsons Hall, containing faculty apartments and the College Post Office — a branch of the Savannah Post Office — which provides regular mail service for the entire College community.

The newest buildings on the campus are (1) the Fine Arts Building, comprising a band room, chorus room with broadcasting facilities, and classrooms for the fine arts; (2) the 18-bed infirmary, staffed by a college physician and a full-time nurse; (3) the College Inn, which houses a cafeteria, book store, snack bar, and

recreational facilities; and (4) a newly constructed laundry (White Hall) which serves the needs of the College family at a minimum rate.

More recently completed structures comprise: (1) the central heating plant; (2) men's dormitory; and (3) annex to the Willcox Gymnasium. The heating plant, powered by three individual automatic oil burning units of 575 horsepower, generates heat to meet the needs of the entire campus. The new dormitory is an ultra-modern, fireproof structure which comfortably houses 210 men. The annex to Willcox Gymnasium has all the modern facilities required for an adequate health and physical education program. The building contains individual lockers, private and public showers, women's lounges, sick bay and complete service units for men and women.

THE LIBRARY

The College Library affords an opportunity for students and faculty to have access to publications needed in their varied activities. The library collection now numbers more than 22,000 bound volumes; 262 periodicals and 23 newspapers are currently received. Microfilm copies of the Savannah Morning News, the New York Times and the London Times are now available.

The Library maintains a small basic collection in each of the dormitories. This collection includes magazines, newspapers, encyclopedias and some general books.

In order to encourage greater use of the books and facilities of the Library, both class instruction and on-the-spot aid are given to all students.

Library Hours : Monday - Friday : 8:00 a.m. to 9:00 p.m.
 Saturday : 8:00 a.m. to 4:00 p.m.
 Sunday : Closed

STUDENT PERSONNEL SERVICES

Student personnel activities are coordinated by the Director of Student Personnel Services. A broad program is planned to aid students to make adjustments throughout their college careers and to secure employment when they leave. This program includes professional counseling and services to students in the following areas: scholarships, financial aid, health, religious values, social activities, job placement, and general life planning.

The supervision of all women students is done by the Counselor of Women while the Dean of Men supervises activities for all male students.

WORK AID

Students who are worthy and industrious may meet some of their expenses through part-time employment provided they maintain high standards of work and satisfactory scholastic averages. Most of these jobs are on the campus, but placement is made also in the City of Savannah and its environs. Applicants for work should secure blanks from the Student Personnel Office. Students are assigned to work only after they have been admitted and have arrived on the campus. Work assignments are made in the offices of the Counselor of Women and Dean of Men.

LIVING ARRANGEMENTS

Accommodations for one hundred and seventy-five women are available in Camilla Hubert Hall. Activities are supervised by the Counselor of Women and the dormitory head resident.

A new men's dormitory provides accommodations for two hundred and ten men. Dormitory life for men is under the direction of the Dean of Men and the head resident.

Practice in democratic living is provided through dormitory clubs in each resident hall.

RELIGIOUS LIFE

The campus community is enriched by a religious life program under the supervision of an ordained minister. This program includes Sunday School, conducted jointly by the students and faculty, and a formal worship hour with a choir and clergy. Recognized ministers of Savannah and environs often serve as guest ministers.

Personal religious counseling is available and pastoral care is a continuing service for the College community, irrespective of denominational affiliations.

RECREATIONAL AND SOCIAL ACTIVITIES

Many activities supplement formal education at Savannah State College. In addition to the regular religious and various cultural opportunities provided through assemblies, and the lecture and lyceum series, there are many extra-class activities, such as: orchestra, glee club, quartets, choir, student papers, sponsored by classes, clubs, Student Council, special interest groups and the Student Personnel Department.

Informal socials are held regularly in the campus recreational rooms. Hikes and tours provide many pleasant hours of recreation.

A special feature of the Summer Session is Play Day, which provides an opportunity for all students to take part in a period of play and recreation. Hobby groups and special interest groups give students opportunity to develop skills and interests outside the classroom.

INFORMATION FOR VETERANS

All the curricula of Savannah State College, including the one for special trade students, are fully approved for Korean veterans as well as for veterans of World War II.

In order to assist the large number of veterans who attend Savannah State College, a special staff worker, in the capacity of the Veterans Secretary, is employed. Before and in the process of registration, he assists in forwarding accurate information to the Veterans Administration. Throughout the year he counsels and informs veterans about regulations and directives peculiar to their status.

Each veteran who is enrolling for the first time is urged to forward his Certificate of Eligibility (VA-Form 1950 and VA Form-71990 July 1952 for Korean Veterans) to the Office of the Veterans Secretary. Any veteran who does not have his approved VA-Forms at the time of initial registration will be required to make a deposit of 40.50. This deposit will be refunded when the Certificate of Eligibility is presented to the Veterans Secretary.

Charges for room and board are payable in advance. Veterans who have not completed arrangements for subsistence payments must pay room and board from their own funds until such time as subsistence payments are received.

STUDENT CONDUCT

Each student enrolled at Savannah State College is expected at all times to exemplify a due respect for order, morality, and the rights of others.

The College reserves the right to exclude at any time any student whose conduct is deemed improper or prejudicial to the welfare of the College community.

ADMISSION

The following is a condensed statement of admission requirements. For a complete statement the prospective student should refer to the annual catalog.

Persons who are at least 15 years of age and who present evidence of good moral character, adequate ability, sound health, and interest in a specific course of study are eligible to apply for admission to the several departments of the College.

Formal Application Required — Each candidate for admission is required to make formal application and thereafter submit such credentials as may be needed to support the application. Admissions correspondence, including requests for application blanks, should be addressed to the Registrar, Savannah State College, State College Branch, Savannah, Georgia.

Transcripts and recommendations should be mailed directly from the applicant's former school to the Registrar.

The number of applicants each quarter generally exceeds the number that can be accommodated in dormitories and classrooms. To be assured due consideration for admission during any quarter, each applicant should see that all required credentials are submitted to the Registrar at least six weeks before the quarter begins.

Admission to the Freshman Class — An Applicant may be admitted to the freshman class by certificate if he has graduated from an accredited secondary school, or he may qualify for admission through examination administered at this College.

Admission with Advanced Standing — A limited number of transfer students may qualify for admission each quarter. Each applicant who has attended another college shall present the following credentials to support his application:

- (a) A statement of honorable dismissal from the college last attended.
- (b) Official transcripts covering the complete college and secondary school records.
- (c) A personal letter giving full explanation of the applicant's reason for desiring to transfer to Savannah State College, his work experience, studies, activities, special interests, and plans for the future.

Transfer students should note that courses completed with grades below "C" at another institution may not be counted toward advanced standing.

ADMISSION AND REGISTRATION PROCEDURE

Each student enrolling in the Summer Session for the first time is required to complete the following steps in the process of admission and registration:

1. Fill out the Application for Admission, which is obtained from the Registrar. Return the application to: The Registrar, Savannah State College, State College Branch, Savannah, Georgia.

2. Obtain the Official Notice of Admission from the Registrar.

3. Complete the following details of registration in person at Savannah State College on the date scheduled for registration:

- (1) Obtain registration forms at the Office of the Registrar.
- (2) Get your advisor to assist you in making a study program and filling out forms.
- (3) Get the approval of the Director of the Summer School on the registration forms. Veterans have their registration approved by the Veterans' Secretary.
- (4) Obtain course cards for each course in which you enroll.
- (5) Pay costs at the Office of the Comptroller; and leave registration forms at the Office of the Registrar.

Students are cautioned that: (1) a student who fails to attend a class or who incurs excessive absences, shall be penalized according to current attendance regulations; (2) a student who attends a class that is not listed on his official program in the Office of the Registrar shall receive no credit for the course.

Continuing students at Savannah State College will be granted the privilege of completing registration by mail. Information on this procedure should be requested from the Office of the Registrar. A non-refundable \$5.00 deposit is required for this service.

Persons wishing to reside on the campus should obtain room reservations from Dean William J. Holloway.

DEGREES

The curriculum of Savannah State College is organized within three major instructional divisions: Arts and Sciences, Home Economics, Trades and Industries — and the Division of General Extension.

In each of the foregoing major instructional divisions, the College offers courses leading to the degree of Bachelor of Science.

The Division of Trades and Industries offers, in addition, courses leading to a certificate in each of the following: Automobile Overhaul and Repair, Automotive Body and Fender Repair, General Woodworking and Carpentry, Electrical Maintenance and Installation, Machine Shop Practice, Masonry, Painting and Decorating, Radio Repairing and Shoe Repairing.

CREDIT

Credit for course work is stated in terms of quarter hours. One quarter hour represents one hour a week of prepared work, or its equivalent, covering a period of twelve weeks. Not less than two hours of laboratory work is required as the equivalent of one hour of lecture and recitation.

In the Summer Sessions, classes meet six days a week and run double periods. Maximum credit allowed for one session of summer study is ten quarter hours; for two sessions, twenty quarter hours.

CREDIT FOR WORK DONE IN OTHER SCHOOLS

Applicants who have done work elsewhere, for which they wish to receive credit at this college, should state this fact when they apply for admission. No credit will be given for work done elsewhere unless transcripts are presented during the first year. No credit will be allowed for "D" standing in courses transferred to this institution. Credits should be sent to the Registrar early enough to be evaluated before the student reaches the College.

* Or Physical Science for Zoology majors, or Physics and Chemistry for Trades and Industries majors.

FINANCIAL INFORMATION—SUMMER QUARTER, 1955

Students enrolled for Two Courses -----	35.50

The table includes basic fees only. Other charges are assessed where applicable. Please see the "Explanation of Fees." Normal costs of books and supplies approximate \$15.00 per session. Students are required to secure all books, supplies and tools necessary for satisfactory completion of the courses for which they are enrolled.

All fees are due and payable at the time of registration. Students are required to meet their financial obligations promptly as a condition of their remaining in college. The college reserves the right to change fees and charges at the end of the quarter. Students granted scholarships or work aid will be notified in writing and credit will be made to their accounts accordingly.

Veterans attending Savannah State College under Public Law 346 and Public Law 16 are required to submit their certificates of eligibility before they may complete registration. A veteran who does not have his certificate of eligibility or whose papers are not in order will be required to make a deposit of \$40.50 on his fees, which is refundable as soon as the College receives authority to train him under Public Law 16 or Public Law 346. Veterans coming to Savannah State College should bring with them sufficient funds to pay for board, room and laundry as indicated on the Schedule of Payments.

Public Law 550 veterans are required to pay all fees at the time of registration.

EXPLANATION OF FEES

GRADUATION FEE: A charge of \$5.00 to cover the cost of diploma and rental of cap and gown — payable upon filing application for graduation.

HEALTH FEE: A fee of \$1.50 per session or \$3.00 per quarter is required of each student to finance limited clinical services, bed care in the infirmary for minor illness, and general dispensary care. This fee is not refundable.

FINANCIAL INFORMATION—SUMMER QUARTER, 1955

LATE REGISTRATION FEE: Students who fail to register on the regular registration day will be charged late registration fee of \$3.00 for the first day and an additional fee of \$1.00 each for the second and third days, the total not to exceed \$5.00.

MATRICULATION FEE: The charge for matriculation is \$15.00 per session for students registering for six (6) or more quarter hours per session. Students taking less than six (6) quarter hours in one session will be charged matriculation fee at the rate of \$2.50 per quarter hours. Students enrolled in remedial, audit, and other non credit courses, for example Physical Education and Orientation, will be assessed on a basis of equivalent lecture and laboratory hours.

NON-RESIDENT TUITION: Students with residence outside of Georgia, registering for six (6) or more quarter hours, will be charged non-resident tuition of \$25.00 per session. Non-residents registering for less than six (6) quarter hours will pay tuition at the rate of \$4.00 per quarter hour. Students enrolled in remedial, audit, and other non credit courses, for example Physical Education and Orientation, will be assessed on a basis of equivalent lecture and laboratory hours.

ROOM, BOARD AND LAUNDRY: All students living in the dormitories are required to eat in the college dining hall. The charge for Room, Board and Laundry is \$138.00 per quarter for Women students housed in Hubert Hall and \$144.00 per quarter for Men students housed in Wright Hall. The dining hall does not maintain a diet table. Students who do not need all three services (room, board, and laundry) must make arrangements to live off campus. Dormitory students are required to furnish their own bed linen, pillows, desk lamps, floor rugs, curtains, towels and wash cloths.

STUDENT ACTIVITIES FEE: A student activities fee of \$3.75 per session or \$7.50 per quarter is required of each student. The Student Activities Committee has authority in assignment of funds from this source to the various agencies and activities which serve student needs. This fee is not refundable.

TRANSCRIPT FEE: No charge is made for the first transcript issued at the request of a student. A charge of \$1.00 will be made for each additional transcript issued.

WITHDRAWALS AND REFUNDS

MATRICULATION, AND TUITION FEES: A refund of 50% of the above fees will be granted under the following conditions:

1. Within one week from the last day of the summer session registration, the student must secure from the Director of Summer School the official permission to withdraw.
2. The student must have the forms signed by his advisor and instructors, and must present the permission to withdraw to the Registrar.
3. Upon receipt of the student's official permission to withdraw, within one week from the last day of registration, the Registrar will promptly report the student's withdrawal to the Comptroller, therewith requesting a refund of fees. Students ill at home or otherwise not able to follow this procedure should write or have someone write to the Director of Summer School requesting permission to withdraw. **NO REFUND OF THESE FEES WILL BE AUTHORIZED UNLESS THE FOREGOING THREE STEPS ARE COMPLIED WITH WITHIN ONE WEEK FROM THE LAST DAY OF REGISTRATION.**

Room, board and laundry charges will be made through the end of the week during which the student withdraws. A student who wishes to withdraw from the dining hall and dormitory must secure a permit to withdraw from the personnel dean. This permit when submitted with the dining hall mealbook will entitle the student to a refund.

COURSES OF INSTRUCTION,* SUMMER QUARTER, 1955

SPECIAL COURSES

Instruction at Savannah State College is planned to contribute to the improvement of teaching in the public schools. Accordingly, upon sufficient demand, the college will offer any courses which are regularly offered during the academic year. In addition, the courses listed below are especially designed for in-service teachers.

Education 391. *Arts and Crafts Workshop.*

Education 461. *Workshop in Methods and Materials of the Elementary School Curriculum.*

Education 462. *Workshop in Methods and Materials of the Secondary School Curriculum (offered first session only.)*

Education 480. *Workshop in Guidance in Elementary and Secondary Schools.*

Home Ec. 434. *Workshop in the School Lunch.*

The College Laboratory School has been reorganized to extend and enrich the classroom work in professional courses. Opportunities will be given teachers enrolled in most of the classes in education to have contact with children in real school situations.

SHORT COURSES

For those teachers who are unable to attend our regular summer sessions, the college is offering a three-week short course, for each session: June 27 to July 13 and August 2 to August 18. Courses offered during the short sessions are listed below. Two and one-half quarter hours may be earned for each of these courses, and a student may carry at least five quarter hours.

THE SAVANNAH-CHATHAM COUNTY AREA TRADE SCHOOL

The Area Trade School will run concurrently with the summer school. Students may enter between the first and tenth of each month during the session, but veterans will be required to register at the beginning of the summer session or second session.

The following trades will be offered: (1) Shoe Repairing, (2) Masonry, (3) Carpentry, (4) Radio and Electricity, (5) Automobile Mechanics, and (6) Machine Shop.

Separate bulletins will be available during the spring quarter for the Area Trade School.

*The College reserves the right to discontinue classes that are unusually small. A special schedule for evening courses will be provided at a later date.
